CE Nr. 1034 – CPD – 1293/2/08

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Oriented Strand Boards (OSB), type

"AGEPAN OSB/3"

according DIN EN 300

**(technical class: OSB/3 - thickness range 6 mm to 40 mm)
for internal use as a structural component in humid conditions,**

produced by the manufacturer

GLUNZ AG; Strohmweg 1; 38489 Nettgau

in the factory

GLUNZ AG; Strohmweg 1; 38489 Nettgau

is submitted by the manufacturer to the initial type-testing of the product and a factory production control and that the approved body HFB has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control (system 2⁺). This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

EN 13986 : 2004

were applied.

This certificate was issued on July 1st, 2008 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

The validity of this certificate will be confirmed by the certification report issued every six month by the certification laboratory.
